MARC this week.

We are **not** travelling to Landsborough tomorrow for MARC. This week, as I am away, Ms Bella Goyardts will be the casual relief teacher here at Elmhurst PS. Bella travels and helps Mrs Bawden with MARC sessions when needed. As Bella worked today on this History lesson with Mrs Bawden, she will deliver the lesson to our students tomorrow. Mrs Bawden has a base day here this Friday and that is when the students may change their library books.

GOLF CLINIC

Permission notes went home today. Please return these tomorrow. Our second golf session will be Friday 31st Aug 9:20 till 10:50. I will be away. I am wondering if parents are able to deliver the students to Amphi school on this day and Stacey bring them back to Elmhurst. Stacey has comprehensive cover insurance. I will get permission notes done asap.

FULL STEAM AHEAD - Monday 20th August

Our next Full Steam Ahead will be this **Monday, 20th August**. Mrs Cheater will drive the students to Navarre. **Mrs Cheater will pick up students from their homes.** First pick up at 8:30ish, second pick up at 8:35ish. We will then proceed to Navarre via Landsborough. The three sessions will be STEM (science, technology, maths and engineering), Visual Arts (last day for clay) and Music . It is a non-wearing hat term. No hot meals on STEAM days please. This will be our last clay session culminating in the students grouting around their prepared clay animals and tiles on their school boards.

Full Steam Ahead on Monday 3rd September.

I have a Leading Literacy PD day workshop number 3 in Ararat. Ms Quinlan will be here as CRT. She will pick up and return the students to and from their homes as I usually do on STEAM days. Permission notes went home last week and have been returned. I just need permission for students to travel with Joan on that day. If parents could SMS me, that would be good.

SCIENCE NIGHT

Ms Quinlan and the students have worked very hard to organise this evening. We are all very excited and are praying that the skies remain clear.

At 10am this morning, we had 33 people registered to attend.

SCHOOL COUNCIL

Our next School Council meeting will be this **Tuesday, 21st August** at 7pm here in the school staff room.

BLACK RANGES ATHLETICS - Stawell, Tuesday 4th September.

Permission notes and event times were sent home last week. Mrs Cheater will be taking Ms Quinlan in her car and will only have room for 2 students as she may need to pick up Eric from Amphitheatre. Cluster shirts will be handed out to students on the day. Please let me know if parents are able to take students and return them home

DIGITAL TEHNOLOGIES

A fortnight ago our students attended Amphi school for a 2 hour session on digital technology with Mr Brown. They were exposed to some new apps on coding. It was a wonderful session having experienced students working with our students, sharing ideas, instructing and laughing. We also enjoyed the stew and brownies for lunch. It was great to see the older girls hanging out and the boys having a footy game on the go at lunchtime.

SCHOOL REVIEW

Over the past few weeks, Mrs Cheater has been preparing administration tasks for our upcoming School Review. This happens over the life of our four year Strategic Plan. (2015 – 2018) From the Strategic Plan we form our yearly plan called the AIP (annual Implementation plan).

Our Cluster schools will attend a review planning Day with our Senior Advisor Mr Paul Nolan on Friday 24th August at the Avoca Information Centre. This will involve advice on completing a combined Pre-review Self Evaluation (PRSE) Victorian Registrations and Qualifications Authority (VRQA) requirements and Child Safe requirements.

On Monday October 15th a validation meeting of all 5 participating schools and panel members will again meet at the Avoca Information Centre. Each school will have Challenge partners. They are Kate McGinty (Central Highlands Area Education Improvement Leader and Mark McLay (Principal at Pleasant Street PS, Ballarat.)

On Friday October 19th, we have validation and fieldwork at our school. This involves staff, students, parents and panel members. I will get further information to you about this day as I am not sure what our Reviewer, Sally Winch, has in mind.

On Friday October 26th is Panel day where all principal and panel members meet again at the Avoca Information Centre.

As you can see, I will be out of the school one day per week from now until the end of October.
